Southern District of New York

*Re: United States v. Rubano, et al., 17 CR 169 (JGK)*

Dear Judge Koeltl:

I respectfully write to request an adjournment of the sentencing date for Enrico Rubano, currently scheduled for October 15, 2021. Mr. Rubano is currently being treated with medication for a dilated aorta and blockage of the aorta and has appointments scheduled with his cardiologist over the next few weeks to determine whether the medication is working or whether he will require surgery. We ask that the sentencing be rescheduled until after that of Mr. Rubano's co-defendant Shivanand Maharaj, which is currently scheduled for December 2, 2021.

The government consents to this request. We greatly appreciate the Court's consideration.

Respectfully yours,

/s/
